Extra notes by the team

No notes

Contract Snapshot

```
contract Token is ERC20Upgradeable, OwnableUpgradeable {

    uint8 internal _decimals;

    function initialize(string memory name_, string memory symbol_, uint8 decimals_, address owner_, uint256 totalSupply_) public {
        __ERC20_init_unchained(name_, symbol_);
        __Ownable_init_unchained();
        _decimals = decimals_;
        _mint(owner_, totalSupply_);
    }

    function decimals() public view override returns(uint8) {
        return _decimals;
    }
}
```

Website Review

Coinsult checks the website completely manually and looks for visual, technical and textual errors. We also look at the security, speed and accessibility of the website. In short, a complete check to see if the website meets the current standard of the web development industry.

- Mobile Friendly
- Does not contain jQuery errors
- SSL Secured
- No major spelling errors
